#### **Ntando McIntosh**

I am 39 years old and lived in Dignowity since purchasing my home in 2005. I live at 932 Burnet with my 10-year-old son, Ian. I was drawn to the neighborhood because of its history and architecture. And like many of you, I am working to restore my home.

Currently, I work for the U.S. Army as an Auditor. I have worked for the Air Force and the Department of Veteran's Affairs as a part of the medical center's management team.

I have grown to love San Antonio and Dignowity. I came to Texas from Bronx, NY after receiving a direct commission to the United States Air Force. I was stationed here in San Antonio at Lackland Air Force Base (AFB) and served as a hospital administrator at Wilford Hall Medical Center. During my service I rose to the rank of Captain and was deployed to Afghanistan in support of Operation Enduring Freedom (OEF.)
